OVERVIEW

last update 03 / 2015

The complete modification programme for your Bentley Continental GT/GTC

MANSORY refines the Bentley Continental GT into a luxury racer with ambitions of the track.

**GT** *Race*

Deeply rooted in the MANSORY philosophy is the motto, to continually provide automotive masterpieces. With the MANSORY GT Race based on the Bentley Continental GT, MANSORY has once again placed such a masterpiece

into the spotlight. Profound changes to the bodywork, engine and interior were made which clearly support the sporting ambitions of the Coupé.

## Interior

Even the interior benefits from MANSORY refining: The upholsterers at MANSORY stylishly combine precious materials like the finest leather, Alcantara, and green-coloured carbon fibre. The leather, processed by a masters hand is especially durable and yet exceptionally soft. The characteristic natural products with their special appearance and perfectly hand-crafted decorative seams give the newly designed speedometer an extravagant flair. Additional highlights include 100% carbon made sports seats, the newly designed airbag sports steering wheel and the pedals made of aluminium. MANSORY achieves the perfect symbiosis between dynamic sports functionality and luxurious ambience.

## High-performance engine modifications:

- stainless steel exhaust system
- special pistons
- special connecting rods
- special camshaft
- special turbochargers
- intercooler
- sport air filter
- ECU - new engine management
- ECU - new transmission management

## Technical Specification with engine modification:

1.001 PS (736 kW) at 6.000 rpm

1.000\*\* Nm at 2.100 rpm

0 – 100 km/h: 3,9\* sec

Top speed: 330\* km/h

\* All listed performance figures are approximate values. They depend on vehicle-specific details such as vehicle-type, equipment, rear axle ratio, tare weight, wheel-tire combination, transmission type and aerodynamic equipment of the specific car.

\*\* electronically limited

## Wheel-tire combination options:

### CS.13 wheel

13 slim double spokes allow optimal ventilation and air flow around the wheel arches.

This wheel provides perfect conditions for avoiding brake fade due to overheating.

Wheel dimension: FA / RA 10 x 22"

Tire dimension: FA / RA 295/30/ZR22

### V.6 wheel

The MANSORY V6 combines breathtaking design with functional engineering. A wheel with a modern design, specially designed for the elite automobile class of vehicles.

Wheel dimension: FA / RA 10 x 22"

Tire dimension: FA / RA 295/30/ZR22

## Limited edition GT RACE

### Ultra light-weight exterior modifications (Autoclav-Carbon):

- front bonnet
- Front bumper with LED-daytime running light
- front grill
